Please label all your child's cold weather belongings with his/her name.

Sometimes we have children with similar looking coats, hats, etc. and want to make sure the right coat is going home with the right person. Thanks!!

During this season of colds and flu, please give us a call if your child will not be attending school and for what reason. We try to keep track of the type of "bugs" that find their way into the classrooms and can then inform our families to be on the look out for certain symptoms! Thank you!
